The Principle on which offg. allowance is granted is that the apptt. to the post to which such allowance is attached should ~~consittute~~ constitute a change in the nature of duties and involve additional work and responsibilities. According to the orders issued in 1923 quoted by the S.E.,C.C. within offg. promotion is admissible to the clerical grades in the Circle and Dnl. offices except those marked with crosses below;-

| | Clerical grades. | Sanction (revised pay scale. |
|---|---|---|
| | Head clerks in S.E's offices. | 200-10-260 |
| X | First clerks in S.E's offices. | 135- 5-180 |
| | Head Clerks in Dnl. offices. | 115- 5-160 |
| | ~~Sinetor~~ Senior Accounts clerks. | 95- 5-115 |
| X | Clerks. | 70-5-95 |
| | Clerks. | 25-5/2-65 |

The S.E.C.C. has proposed that offg. promotion may be allowed to the grades marked with crosses above for the reasons detailed by him. In the present conditions, the proposal appears to be reasonable and may if approved, be accepted in consultation with the F.D.

In view of the peculiar circumstances prevailing , I strongly support the request.

Finance Department'B'.

The P.W.D. proposes that the officiating promotions may be allowed to the following grades;-

| | Scale of pay. |
|---|---|
| 1) First clerks in S.E.s office | 135-5-180 |

2.....

2) Clerks in the scale of 70-5-95

It is stated that owing to the deputation of the Senior Bent the Junior clerks had to bear the burden of work without any benefit of pay. Due to war conditions such state of affairs exist in all the offices.

2. Please see B.C.S.R.56 which lays down that "A Government servant who is appointed to officiate in a post should not draw pay higher than sunstantive pay in respect of permanent post, unless officiating appointment involves the assumption of duties and responsibilites of greater importance than those attaching to his own post".

The posts on Rs. 135-5-180 are of the nature of selection grade posts for those on Rs. 115-5-160 and below and posts on Rs. 70-5-95 are of a similar nature for clerks on Rs. 25-5/2-65. These posts cannot, therefore, be held to involve assumption of higher reponsibilities. Moreover these posts are included in the promotion group as the lower grades. It is. therfore, not possible to hold that higher pay should be allowed on officiating promotion. to these posts. The P.W.D. may be advised accordingly.

Id/- 4/7/44 I agree Resort to B.S.S.R. 19 and the note below B.S.S.R.9(56) may be considered in suitable cases It is certainly not admisable to disturb well settled promotion groups.

E.B.II.

The F.D. does not agree to the proposal of this Deptt. to allow offg. promotion to the first clerks posts in S.Es' offices and to the Clerical Grade of Rs. 70-5-95 form the grades lower to them as the proposal is not admissible under the rules. B.C.S.R. 19 quoted by the F.D. Under secy. re:suspension of lien and the note below B.C.S.R. 9/36)re substantive apptts. to temp. posts are known to the S.E.as seen from his letter under disposal . They do not meet the requirements of this case and hence the proposal. It is for consideration whether the F.D's advice may be accepted. If so , the draft letter put up for approval may issue.

2. For the reasons stated in his letter dated the 1-5-44. The S.E.,C.C. proposed that offg. promotion may be allowed to the clerical grades gumentiaxia of Rs. 135-5-180 and s. 70-5-95(to which offg. promotion is not admissible under the existing orders). The proposal was negatived vide G.O. No.6869/36-R(II) dated the 14-8.44, and the notes underlying it. He has now proposed that the liens of the clerks who have been deputed to the Project Circle on their orginal pt, posts which they hold substantively may be suspended under the provisions of.R.C.S.R,19(b) with effect from the date of their trasfers. The proposal is made with a view to make provisionally permanent appts. in their vacancies so that the clerks appointed in these vacancies will get grade pay. In this connection pl. see the F.D. under Secy. s note , dated the 13-7-44.

If the above proposal is sanctioned it will have to be extended to the other categories of subordinates such as Head D'man, assistt. D'men etc. which have been deputed to the Project Circle.

3. It may be stated that according to the orders issued in G.R. P.& S.D. No. 4083/34 IV. dated the 25-8-43, permanent vacancies in the Subdte. and Inferior Services except in the S,S.B./ in this Deptt. normally open to public Competition occurring on and after the 3-9-43 are to be kept substantively unfilled for the duration of the war. During the period of the war they are to be filled ons a tempy. basis and after the war they are to be filled permanently. half of them (the reserved vacancies) by the candidates with approved war service and the remaining half (unreserved vacancies) by selection from among the persons holding them on tempy, basis as well as from among the candidates with unapproved war

services.

service. In the case of the S.C.S. the the reservation is 25% and the remaining 75% of unreserved vacancies are to be filled permanently as they occur -vide G.I.M.4986/ 36-S (II) dated 9/10/44. It seems that these orders will not apply to the vacancies that will occur according to the proposals in para. 2 above as they (the vacancies)are not permanent vacancies. They can accordingly be filled in on a provisionally permanent footing. In case it is held that these vacancies will also come under the purview of the orders refd. to above it may be stated that according to the orders refd. to above it may be stated that according to the orderscisscued in para. 2 of G.I.P.S S.D. No. 4083/434 B.dated the 4/7/44, the ex vacancies in the higher grades can be filled in on a provisionally permanent footing as the apptts. in these grades are usually made by promotion from the next low er grades. The vacancies in the lowest grades will be made on a temp y basis The P.S.C.D. may be requested to advise in the matter.

4. It is for con ideration whether subject to the decisions on the Points raised in para 3 above the proposal contained in para. 2 above may be sanctioned. If so, the papers may be retd. u.o. to the P.S.D. and the F.D.

Poll. & Services Deptt. (D).

The position in this case is that certain clerks holding permanent appointments in the office of the Supdtng., Engineer, Central Circle's office have been sent on deputation to the Project Circle. It is proposed that the liens of these ment should be suspended with aview to making provisionally substantive appointments in their vacancies. As observed by the P.W.D. the orders issued in G.R.P.&S.D., No. 4083/34 dated 25-8-43 regarding the reservation of vacancies for war service candidates are in respect only of permanent vacancies which are substantively vacant. The appointments in the office of the Superintending Engineer, central Circle, are permanent but not substantively vacant and, therefore, the proposalto fill the vacancies provisionally will not conflict with the orders in the G.R.P.& S.D; dated the 25-8-43 The view taken in the P.W.D. note is correct and the P.& S.D. may agree to the proposal in para 2 of that note.

GOVERNMENT OF BOMBAY.
Public Works Department.
Resolution No.6869/36.

Bombay Castle.12th May 1945.

Letter from the Superintending Engineer, Central Circle. No. C.44 6743, dated the 30th November 1944 as under:

"Reference: Government letter No. 6869/36-E-II dated 14th August 1944.

"As it has now been decided that the Post War Reconstructio Planning Schemes will last for 15 years, it will not be out of place to request Government to reconsider the orders issued in their letter quoted above for the detailed reason given in this office No. C.44/2633 dated 1st May 1944.

"2. The deputation of clerks to the Projects Circle has thrown additional responsibility and burden on the remaining few experienced clerks and the refusal of promotion to them which they now rightly deserve owing to changes in the situation has created acute heart. buring among the staff, more especially on account of the abnormal conditions There is no possibility of the men deputed to the Project Circle returning to this Circle during the next 5 years and as such there cannot be any objection to suspendent their liens under Bombay Civil Services Rule 19(b) from the date of their transfer and I hope Government will give their most sympathetic consideration to the question and accord necessary sanction."

Resolution Government is pleased to direct that the liens on the permanent posts held substantively by the non gazetted Government Servants (both superior and inferior) who have been transferred to the project Circle, should be suspended under Bombay Civil Services Rule 19(b) provided the provisions thereof are fulfilled. Provisionally permanent appointments should be made in the vacancies
